# Are you familiar with the Sustainable Development Goals?

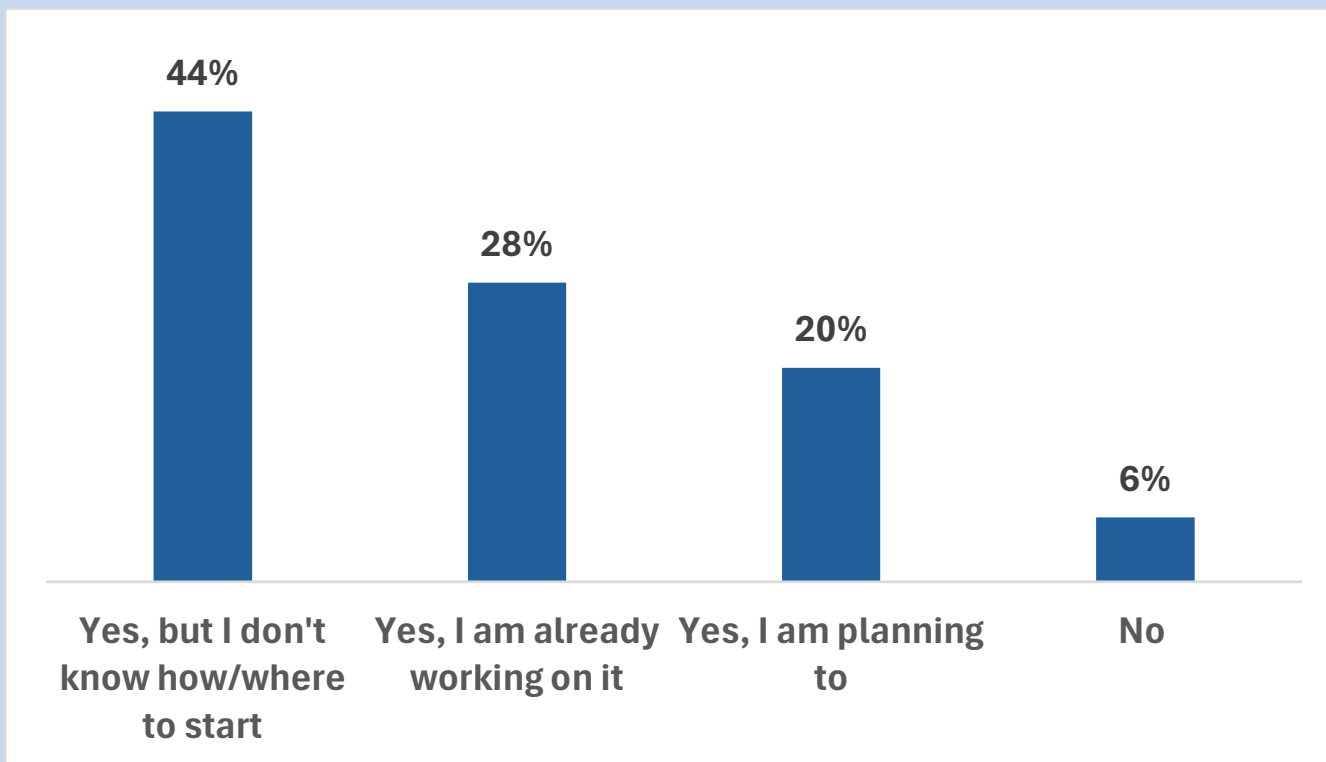

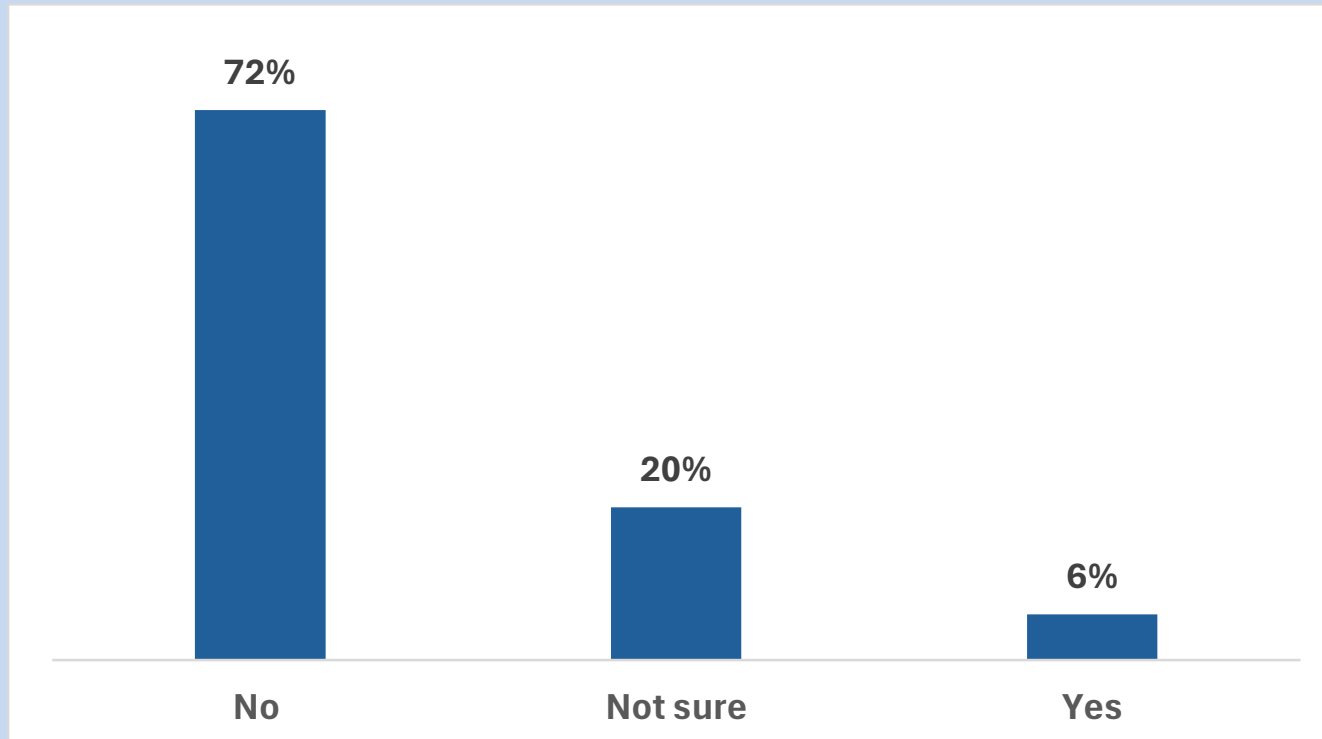

# What are the biggest problems Greece is currently facing?

## Would you like to influence those problems?

# Do you believe your country or society are focused on those problems?

# Through which activities are you working on that?

Please tell us in your own words.

"To help address important issues, I try to stay informed and raise awareness among others around me. I support sustainable practices, participate in local initiatives, and try to promote cooperation and solidarity!"

*U-Reporter, Female 17 years old*

"I am a volunteer at an NGO that works on the Sustainable Development Goals."

*U-Reporter, Male 17 years old*

"Donating money to organizations, raising awareness, using less energy, participating in Model UN conferences"

*U-Reporter, Female 16 years old*

I am a member of AIESEC and participate in a seminar on youth entrepreneurship,

*U-Reporter, Male 18 years old*

# What would motivate you to take action? Please tell us in your own words.

"If there was a voluntary organization with easy access that I was sure had no vested interests, I could contribute."

*U-Reporter, Female 15 years old*

"To be in a reliable environment with ideas that reflect reality and have practical application."

*U-Reporter, Male 15 years old*

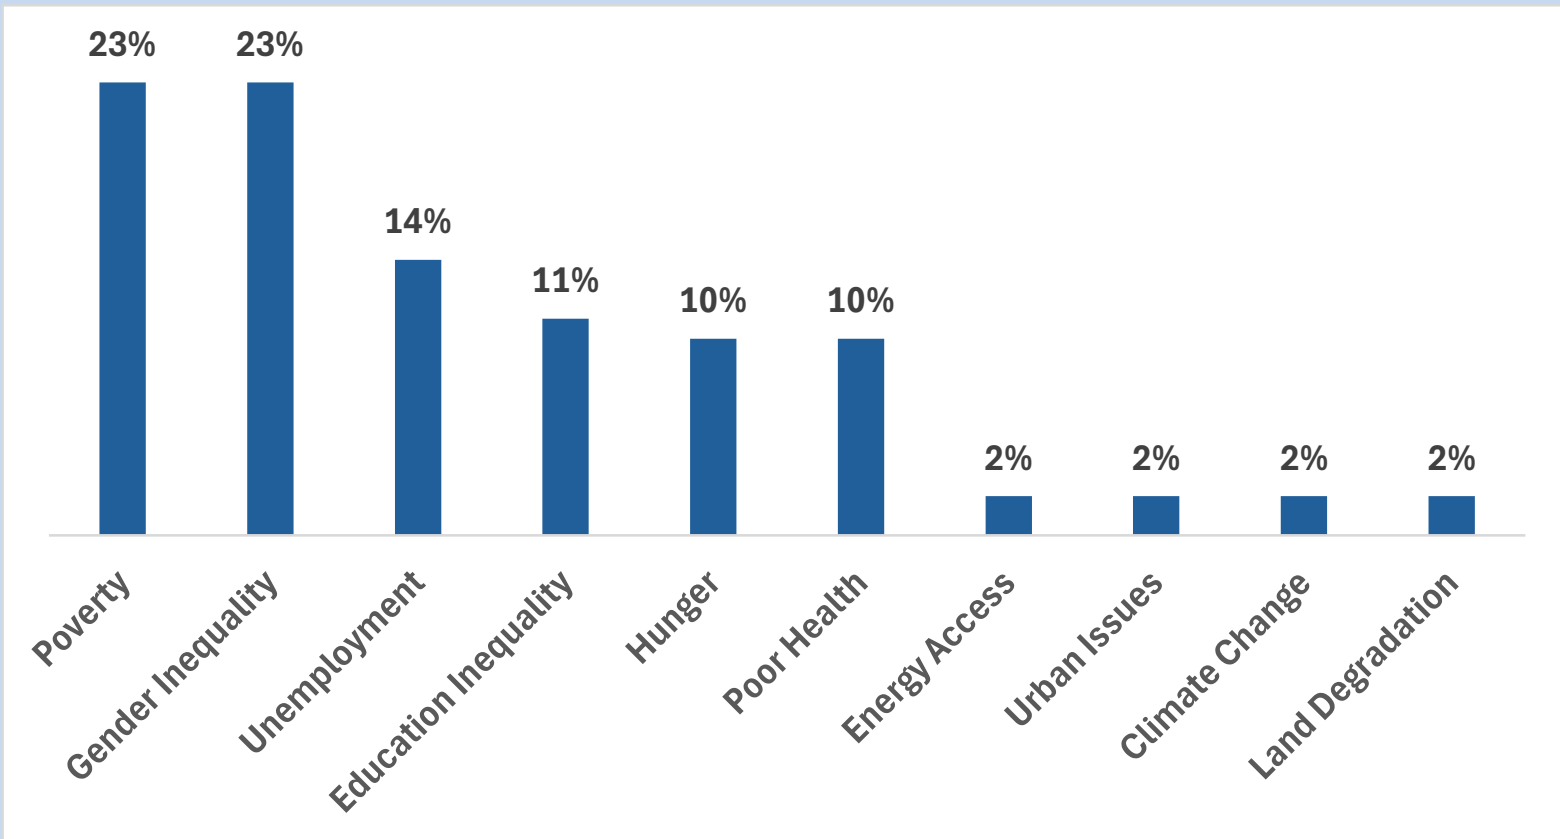

"A good leader, society willing to change things for better."

*U-Reporter, Female 17 years old*

"I would be motivated to take action by realizing that my choices can positively impact the lives of those around me."

*U-Reporter, Male 18 years old*

# Which problems do you think your country and society are most focused on?
